Helpful Hints for Launch FCU's VoiceTouch24!

- Speak a response to the audio prompts at any time during the menu, or use the key response, or you may mix your responses.
- Press the # key after every key entry for faster response time.
- When asked for an account type, press ** to hear a list.
- The * key is used as a decimal point. Example: \$100.50 would be entered as 100*50.
- Suffixes for all accounts are on your statement.
- Press 1# for Yes, 2# for No, when asked "Is this correct?"
- All of the history inquiries will give you the last five posted transactions. To receive an additional five, say "more" or press 1#.
- If your ATM card or checkbook is lost or stolen, you may block your account from all withdrawal activity by selecting code 297#. Your account will remain restricted until you contact us during regular business hours.
