

How To Enroll In Mobile Banking

Once online banking enrollment has been established using the full Launch FCU website (www.launchfcu.com), you can access mobile banking.

Log into Online Banking and do the following:

1. Search for "Launch FCU mobile" in your App store
2. Download to your smartphone
3. Enter your Online Banking User ID, and select "log in"
4. Answer your Online Banking challenge question
5. Verify your passphrase and image, then enter your password
